

Sandwich Course

Choosing to do the Masters Degree in Fashion and Textiles Métiers as a sandwich course, means that students obtain a University Degree and at the same time acquire practical experience. During [the 4 semesters of the course](#) the students/salaried employees develop their knowledge and skills during course-work in [the Mediterranean Fashion Centre \[Espace Mode Méditerranée\]](#), as well as in their host company.

Whether you are a student or a company, for further information concerning Sandwich Courses, please contact Lucile Guerin on
