

# Focus on Cabeceo

09/09/2015

[Aurélie & Andréa Introzzi](#) are selected by Maison Méditerranéenne des métiers de la Mode in order to participate to a premium program.

**What are your future projects ?**

We are preparing the spring-summer 2016 collection and shooting a lookbook (videos and images) for a first contact with foreign distributors and buyers.

**What has the MMMM brought you?**

They gave the opportunity to meet fashion experts who provided us with great advice during the last Mediterranean Fashion Prize Meet'in. The MMMM is a real work partner for us with whom we exchange in an ever constructive way.
