

Emmanuelle Germani

HUMAN RESOURCES MANAGER - KAPORAL

A taste for humanity and a sense of collective effort, working as a group and sharing things as a group, participative decision making: [Emmanuelle Germani](#) has all the necessary qualities to be a Human Resources Manager. Just like Kaporal, she is curious about innovation, and is always on the move.

Emmanuelle Germani graduated from Aix-Marseilles University and began her professional career in the publicity and communications sector with a subsidiary of the Publicis Group specialising in HR

communications. After seven years she changed the orientation of her career in the Group and took a Masters Degree in Human Resources Management at the IAE Graduate School of Management at Aix. She then began her career in Human Resources Management.

She worked in the Avenir Telecom Group as Recruitment Manager then Human Resources Manager in their new technologies sector. In 2013 she joined Kaporal as head of the Human Resources Department, supporting the growth of the family run SME and its international development.

[Kaporal](#) is a sponsor partner of the MMM, along with Dior, Chanel, ERES and Longchamps, as well as others.
