

FOR CHRISTMAS GIVE AN ESPIGAS #OUESTLASARDINE BOX

15/12/2015

An original idea for a present: relax and colour your own pair of Espigas shoes and make a unique work of art. You must add this to your Christmas list!!!

Designed by the visual artist from Marseilles [Renaud Vincent Roux](#), the motifs to be coloured-in on each pair of shoes are unique, representing monuments and scenes around Marseille; such as the Notre Dame de la garde church, the port... and of course sardines. Wake up the artist in you and give your feet a present!
