## CHARLOTTE AIRE - Marseilles - M Major 2016

Fashion designer Charlotte Rekassa, who graduated from ICC School in Marseilles in fashion design / pattern cutting and worked for the brand Sessùn, now signs a wardrobe of timeless womenswear pieces since 2014. A concept named “clothing & couture”, all about pure lines, carefully selected qualitative fabrics and special colours, mostly inspired by nature and the South of France lifestyle. The pieces are all made at atelier-boutique Oscar in Marseilles. The look is nonchalant-chic and already counts with a loyal following.
