The label from Marseilles [American Vintage](#) has teamed with **Baliboa**, the French producer of handmade wooden racquets, for a summer capsule collection 100% Made in **Marseilles**. In 4 colours red, yellow, grey and midnight blue, inspired by the emblematic colours of American Vintage; each racquet is handmade, requiring 18 different operations. The two brands share common values; being environmentally responsible, demanding high standards of quality, and creativity. They have provided a recreational object with perfect aesthetic lines to make playing this summer game definitely chic.

An ultra-limited series (10 examples per colour) will be distributed in a select and exclusive number of American Vintage retail outlets, and in their e-shop from 6 July to 31 August 2016.
