Discovered by the **Maison Méditerranéenne des Métiers de la Mode** (MMMM), and our M Major laureate [Zelda Zang](#) will unveil their 2017 Summer collection at **Bijorhca**, the showpiece trade fair for jewellery labels from 2 to 5 September at the Porte de Versailles in Paris. This is an excellent occasion for this young and dynamic label to show international buyers looking for new talent their creative universe, inspired by **Mediterranean** nature. A trade fair which will shine with our talent from **Marseilles** with Amethys Création, [Gwapita](#), Saïly and [Senzou](#). A new fashion and accessories season definitely under the sun of the Mediterranean.
