

Chloé Lecat & Camille Maurin

Folklo By Ka - Marseilles - M Major 2015

A well thought and achieved collections of bags, here is what makes Folklo by Ka a real ethnic chic brand.

A unique style born out of the union of two fashion graduate designers (Chloé Lecat at ESMOD and Camille Maurin with a BTS stylisme/modélisme). The pieces are fresh in their style and authentic with an attention to detail. And most of all: Made in France.
