

Giuliana Jorrot & Valérie Dossetto

Firstoftulla - Marseilles - M Major 2015

The two designers behind Firstoftulla, Giuliana Jorrot (Institut Européen de la Mode de Milan) and Valérie Dossetto (Ecole de la Chambre Syndicale de la Haute Couture de Paris) have created a brand full of plays on colour, materials, and combinations.

The pieces are bright and easy to wear while retaining remarkable originality. The brand features both refined and quirky collections, and pays great attention to detail. These delicate creations are already available in the USA, Australia, Belgium, Italy, and Japan.
