Valérie Broux joaillerie créative - Marseille - M Major 2015

Valérie Broux, graduated from Ecole d'Arts Graphiques et de Publicité in Paris graduate, combines emerging technologies (3D printing and laser cutting) and a softness for beautiful conception.

All pieces are made in different fabrics like Plexiglas, acrylic, leather or stainless steel.

Valerie Broux twists luxury codes by using diamond and gold amongst these materials. All pieces are unique and in limited edition.
