

Virginia Bizzi

Virginia Bizzi - Italie - MFP2016

After studying at Istituto Carlo Secoli / Next Fashion School in Bologna and Central St Martins in London, she was appointed creative director of the brand Collection Privée, and signed a capsule collection with K-Way.

Coming from a family in the fashion industry, she launched her first ready-to-wear collection during the FW14 season, experimenting with contrasts of materials and colours, but always keeping a pure essence.
