Mademoiselle Hecy - Tunisia - MFP 2015

Mademoiselle HECY is the brainchild of two young fashion design graduates of Esmod Tunis, both fans of fashion, who decided to join forces and create the Hecy wardrobe.

Their brand, mixing chic and originality, emphasizes unique, diverse pieces for a modern, feminine, subtly off-beat woman. We find femininity and a touch of craziness in their fabrics plus a few one-of-a-kind pieces for a clientele that likes to stand out.
