Charles & Ron - Malta - MFP 2015

Charles & Ron is a contemporary lifestyle brand, high end wearable clothing and bags with a distinct Mediterranean flair and a dedication to superior quality.

Maltese culture is an integral part of the Charles & Ron design ethic and the brand's vision is to inspire its clients to be part of the instantly recognizable Mediterranean lifestyle. For the designers, contrast is key, like the way a bright blue can complement some beautiful pastel fabrics. For the 2 designers the contrast is the key, such as mixtures of contradictory colorus.
