

# Mia Vilardo & Riccardo Polidoro

Miryaki - Italy - MFP 2014

Myriaki is the result of a melodic harmony between North and South. A cultural and artistic chemistry created in 2009 by Mia Vilardo, a Marangoni Fashion Design Institute graduate, and Riccardo Polidoro.

The duo has been the recipient of several prizes for their work, including the Mittel Clam Prize. Myriaki is exposed at Palazzo dei Giureconsulti and has been shown at the Emerging Costume Designers Events in Zurich.

They have joined a showroom in Berlin in 2012 and since 2014 she joined part of the National Italian
