CONNECT - CONFÉDÉRATION DES ENTREPRISES CITOYENNES DE TUNISIE

CONNECT is an employers' association which brings together small, medium and large private and public businesses, Tunisian and foreign, from all the regions of the country and from different sectors of the Tunisian economy.

Its main mission is to defend the interests of its members, representing them in dealings with state entities and other partners, and to support business and initiatives to improve and develop the economic fabric of the country. It is an Employers' Centre which is characterised by its civic view of the role of business and its relationship with its environment and partners, particularly with its employees.

CONNECT now has the role of a provider of dynamic, proactive and influential ideas and propositions, encouraged by the relationships it has with governmental authorities at all levels, and its cooperation and collaboration with its national and foreign partners. Its actions and initiatives aim to improve the business environment in the country and to consolidate the level of Tunisian businesses' competitiveness.
