---

## **UPE 13, IS AN INTERPROFESSIONAL ORGANISATION**

Representing businesses in the Department of the Bouches-du-Rhône, an interprofessional organisation bringing together all businesses and companies across all activities, regardless of size, structure and trade.

### **Mission**

Representing, uniting, managing, informing, accompanying and supporting the businesses and companies in the Department, to develop their activities.

Actively participating in the economic and social development of our territory.

Promoting and supporting businesses and companies and the entrepreneurial spirit to the younger generation, universities, politicians and opinion leaders.

The diversity of the 10,500 businesses and companies united by UPE 13, run by both shareholder and salaried managers, is the basis of the richness of our ideas and the entrepreneurial view we defend.
