

MEDEF PACA

MEDEF - Mouvement des Entreprises De France

The MEDEF Provence-Alpes-Côte d'Azur (PACA), is the largest professional network in the region serving businesses and the entrepreneurial spirit. Uniting 6 MEDEFs in the territory and the major professional sectors, it ensures a representativity of businesses at the regional level. As a porte-parole for businesses it is represented in nearly 50 socio-economic institutions in the region with more than 300 delegates, with the mission to defend and promote businesses of all sizes and in all sectors of activity. More than 90% of its members have less than 20 employees.

The MEDEF PACA represents businesses in our territory in dealings with state entities, public authorities, the media and any interlocutor or partner directly or indirectly connected to their particular business, or the regional economy in general. With their membership organisations they have more than 300 appointed representatives of PACA businesses in various regional organisations: for example, Social Security tribunals, vocational training, various economic and social organisations, and even universities and major higher education schools. Furthermore, the MEDEF PACA represents in the regional framework, all the companies and businesses in the territory in terms of French institutional life, on equal terms, both social and republican.

The MEDEF PACA brings together 6 MEDEFs in the territory and nearly thirty professional sectors, and coordinates their actions to encourage corporate networking, promoting entrepreneurial solidarity and developing the attractiveness of the territories involved.
